The conference will be held at South Kilburn High School, Stafford Rd., London NW6.

If you are arriving before Friday 18th, please if possible tell us the date
and time in advance. You can phone 778 2782 when you arrive.

If you are arriving on Friday before 6.30pm, phone 452 1338, or if you speak
only German phone 624 1437 (we hope to have someone there who can speak some
German.) We will be waiting to meet you at 67 Brondesbury Villas, London NW6,
which is in Kilburn near the school. If you are arriving by air, go by coach to
Victoria Terminal, and then walk to Victoria Railway Station, where you can get
a number 16 bus to Brondesbury Villas, or the underground ("tube") to Kilburn
Park. (If you take the underground you need the Queens Park branch of the Bakerloo
Line - the brown line on the underground map. The underground is more complicated
than the bus, but faster in the rush hour and on Saturday, when the bus is
very slow. To get to the Bakerloo line take the Victoria line to Oxford Circus and
change trains there.

If you are arriving on Saturday, or after 6.30 on Friday, at Heathrow airport,
the fastest way to get to the school is to go by coach to We st London air
terminal at Cromwell Rd., and ask directions to a 28 or 31 bus.

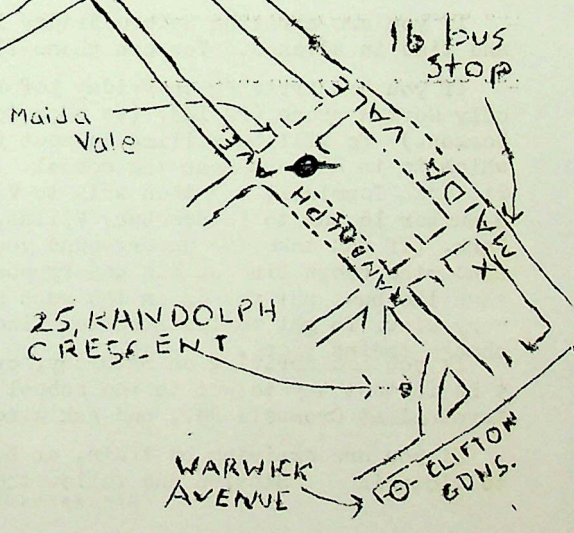

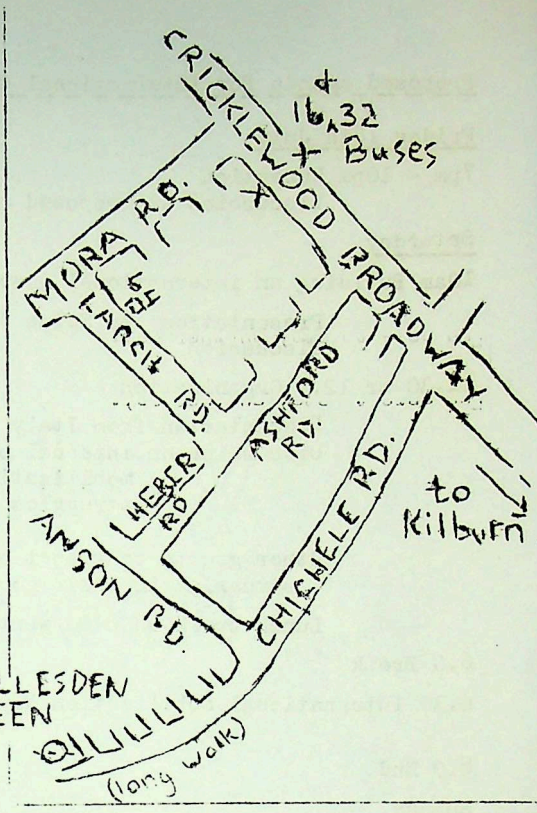

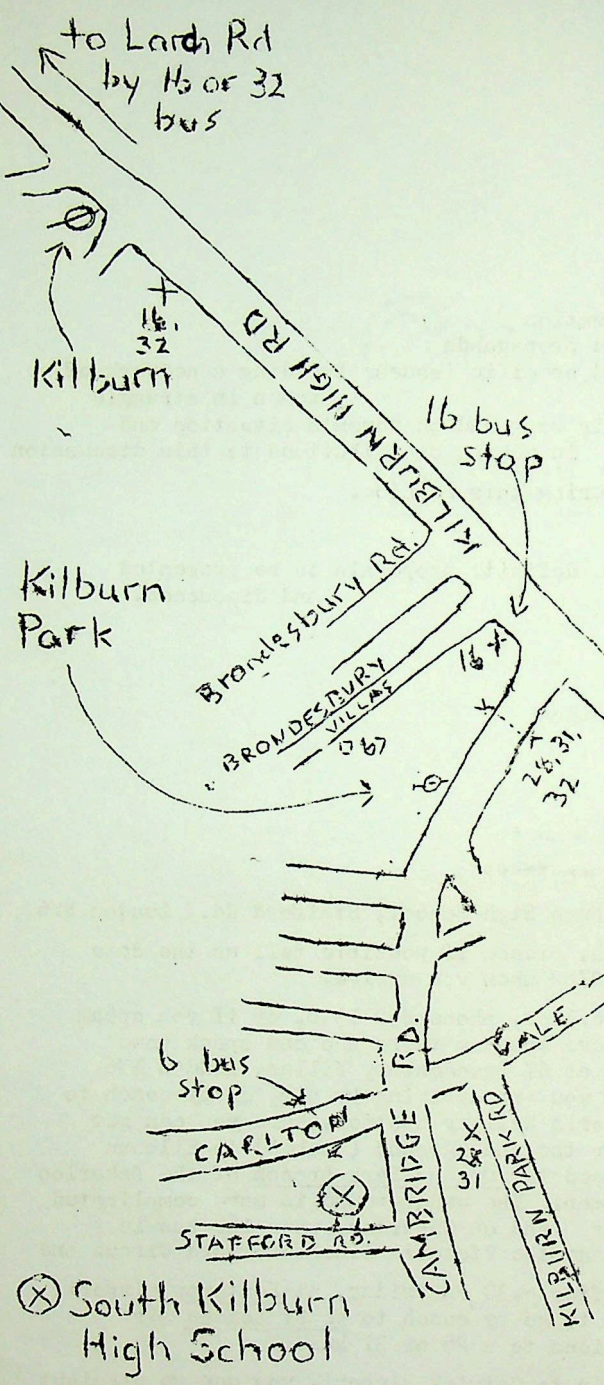

If you are arriving by train, or by air to Gatwick airport, you can go straight
to Victoria Station and follow the directions above.

We hope to find places for everyone to sleep without paying. Please bring a
sleeping bag, and please let us know as soon as possible how many will be coming
from your country. This is very important. For those who have to pay the cost
will be shared.

The major costs of the conference will be a) the hall; b) if women are able to come
from Northern Ireland and Portugal we will pay their fares (otherwise no one will be
able to attend from these countries). Since we will not ourselves be travelling the
POW Collective will make the major contribution to these costs, but we will not be able
to meet them alone. To avoid heavy collections from those attending, groups may want
to contribute collectively towards making the international conference possible. // We

have just heard that 20-30 women will probably be attending from Italy. They will
bring a videotape of their big May 1st wages for housework demp. They have requested
that we extend the conference to continue on Monday. Please let us know if you will
be able to stay another day.

- x = bus stop
- e- = underground station
- = house

It will be a great help to the conference if groups can bring written reports (160 copies or more if possible) of developments in women's situation and struggles in their countries, and of their own work, problems, experience.

See you soon.
