MS. Mariarosa Dalla Costa,

I would like to have a rap with you regarding the Feminist Movement in Italy in general, and, specifically, your experience with the Movimento di Lotta Femminile of Padua.

I am a reporter for WBAI, a listener-sponsored radio station in New York City -- FM 99.5; I have read your book, Potere Femminile e Sovversione Sociale, and what I would like to accomplish from our rap is a taped interview in English. If you so agree the interview will be aired on WBAI in New York City, its sister stations in Berkeley-San Francisco and Los Angeles in California, and Houston, Texas.

I would greatly appreciate your co-operation in the matter. Please contact me by mail at Via E. Ruspoli 3/A, Genoa, Italy or by phone at OIO- 58 74 20; By the way, I tried to reach you by phone at the Facoltà di Scienze Politiche of the University of Padua. Unfortunately, I had no luck.

Sincerely,

Endo Cortolezzis

PS:

- I. Our WBAI Program Director, Nanette Rainone, is a long-time feminist fighter. She would like to establish permanent contacts with the different representatives of the Italian Feminist Movement. Our meeting and interview would also help to give some fruit to her desire and that of all conscious women fighters struggling for their socio-economic, political, cultural liberation.
- II; In case you would not find it comfortable to be interviewed in English, we could always arrange one in Italian. I'm Italian. Also working on my Ph.D. in Nineteenth and Twentieth Century Italian Socialism and Anarchism.
