1 Maria-Rosa De La Costa —

Dan Georgiakis, a
friend of ours, mentioned you
might be interested in our
feminist material.

I believe we met some
friends of yours, three men and
a woman, who were in this country
two or three weeks ago. We discussed
the women's movement among other
things. I'm sorry I don't remember
their names. If you know who I
mean, maybe they can tell you
something of our conversation.
Anyway, here's our catalog,
