Dear Sister:

I am in the Italian group of Lotta Femminista. We have just read the interesting article by Kathleen KUMAN on "Airline Stewardesses Organize" in the (N.Y.) GUARDIAN of Jan. 3, 1973. We are interested in whatever material you may have published on the conditions of the stewardesses in the U.S., since we are looking forward to starting working with stewardesses here.

As to our positions, you may have an idea of them from the article I wrote for Radical America (Jan-Feb. issue, 1972), the magazine of 5 Upland Rd. - Cambridge, Mass. 02140.

Yours for liberation

Maria Rosa Dalla Costa
