My dear Graziela,

Enclosed is the script as I would like it to appear. The page numbers refer to the Italian edition of POTERE FEMMINILE, and I leave it to you to find the page number of the quotation from Capital.

Do please make sure that the introduction referring to RACE TODAY also goes in, and let me ~~me~~ know where you intend to publish. As you know, our collective needs money, and if you and Rosa are able to sell it somewhere that would help us enormously.

I am going to the United States for three weeks on the 8th March, and perhaps when I return on the 31, I will hear news of you. I also was glad to meet you and hope we can maintain our contact, whether or not we travel, I to Italy, you to Britain.

Love and power to the sisters,

P.S. you may also wish to publish some of the Backlash in the two issues after this one. I leave it to you.
