Dear Mariarosa,

How have you been? Did you get a letter from Chris Rosenthal regarding a paid month in the US. during June? I gave her your address thinking you might be interested.

I have an important message that I would like you to give to Laura before she leaves for Boston on Feb. 12. Please tell her that I will be out of town on Feb. 14, 15, and 16. If she should arrive on any of these days, please tell her to contact Gisela Bock

24 Cambridge Terrace  
Cambridge (Porter Square)

her phone # 876-8973 MASS.

~~Joseph~~ Laura is welcome to stay at my house for a week or two. But tell her to bring some money \$\$ if she is staying for

longer than two weeks. She will have to find an apartment or communal situation since my roommates may not appreciate a permanent 5<sup>th</sup> person.

Please give Paula this message as soon as you can.

Thanks!

Love,  
Mie Watavabe
