Dear Mariarosa,

We are preparing articles now for no. 4 of the Power of Women journal.

We would like to include something on the raid on the abortion clinic in Firenze and on the arrest of Dr Manciani and others, as well as on the Trento trials and march of February 11th. We would welcome an article from your group on this. If you have no time, then please send us all helpful information and any leaflets, etc., that you have done. Don't worry if it's in Italian - we can translate.

Selma asked me to mention that she's thinking of sending a statement from the POW collective to be read at the demonstration in Trento on the 11th.

Hope to hear from you or someone in the group soon. Our copy date for the journal is the end of February. If you want to do an article then about 1000 words would be fine.

All success for the action on the 11th,

Best wishes,  
Wendy Edmond
