Dear Phil and Donna,

I received your "The american owl". We are really interested to continue to receive it and in many copies. So, I organized our exchange of money and copies in ~~this way~~ this way: For Lombardia and the Veneto area bring please at least 30 copies of each number when you will come in jenuary ~~xxxxxx~~ (starting from the first number) and we will give directly the money to you when you will arrive and we will arrange for the following numbers. Meanwhile, please send at my address 5 copies of the first N. (I have none), 5 of the 2^d and 5 of the 3th and continue to send 5 copies of the following numbers. These are just copies for the women working ~~xxxxxxx~~ strictly every day with me.

For the others areas where WFH is ~~xxxxxxx~~ involved a I arranged with Valeria Fusetti, a woman working with us in Ferrara, that she will send to you the addresses of people interested to receive it and the correspondent money. So, she is going to inform the women in Rome and in Naples also and in other areas. There will be also names of men interested and their money.

Meanwhile if you want to begin immediately to send at least one copy of every number to Valeria Fusetti, her address is

VALERIA FUSETTI, VIA BAGARO, 53, 40100 FERRARA

hoping to see you soon
