Dear Mariarosa, Palda, Sandro,

Donna and I want to thank you all again for your hospitality while we were visiting Padova. I am sorry if any political tension resulting from the problems surrounding the proposed conference put a ~~shadow~~ shadow on our visit.

I have enclosed a copy of the article by Harry Cleaver that I mentioned to you. I am surprised that he did not send you a copy himself when it was first published. I have also enclosed some additional copies of Numbers 1 and 3 (2 is now out of print) of The American Owl. We will send larger quantities of subsequent issues.

I have had brief telephone conversations with Paolo and Christian since I returned to New York a few days ago. We ~~had~~ have been considering making a proposal of a compromise, which, we hope, would be [^]satisfactory to you as well as everyone else involved. Christian has just [^]left New York for London, and he is planning to visit Italy soon after. I trust you will be able to speak to him and determine what an acceptable compromise might be.

Thanks again for your hospitality.

Regards,

Phil Matten

P.S. Please mention to Ferruccio that I will be writing to him separately and sending him some of the material he requested from me.
